Mr. Robert Douglas,
% Renaissance Ball Room,
138th St. & 7th Ave.,
New York City.

Dear Friend:

Eric gave me your message, asking if
The Eagles could play The Cubans a ball
game for The Elks at Randall Island
July 20th.

We have our schedule made up and are
playing The Cubans in Newark that day,
however, we could play a week day, or even
a Saturday. Ordinarily you don't expect
to do much a week day, but maybe "The Elks"
could put it over. If you are interested
in this let me know as soon as possible.

Yours truly,

EM:CCJ

P. S. Eric has a copy of the schedule.
